PENINSULA CHAPLAINCY PROPOSAL GOES NATIONAL

Greg and Martin Dixon have joined together to lobby the State and Federal Governments for a National Schools Chaplaincy Program. Greg has taken this proposal to the Prime Minister and his colleagues in Canberra and Martin has taken it to his colleagues and the State Opposition.

This initiative, which aims to help assist communities and schools who voluntarily seek a chaplain for mentoring and counselling, was sent to Greg by local Peninsula Residents Peter Rawlings, Dr David Price and Dale Stephenson.
