A FINAL ITINERARY WILL BE AVAILABLE FROM GREG HUNT'S OFFICE ON (03) 5979 3188 IN JULY 2007

Greg Hunt MP

Federal Member for Flinders

500km Walk for Chloe & Justin

Helping to find a cure for Juvenile Diabetes

Dear Resident,

500km Walk for Chloe & Justin 2007
Supporting the Juvenile Diabetes Research Foundation
Revised dates: 16 July to 3 August 2007

I would be delighted if you wished to meet with or walk with me during my re-scheduled 500km Walk for Chloe and Justin, which will start at Arthurs Seat on the 16 July 2007 and finish at Cowes Primary School on 3 August 2007.

In 2003, I was introduced to a five year old boy from Phillip Island, who suffers from juvenile diabetes. Justin is now nine years old and his condition not only presents serious health consequences but the treatment is also unpleasant and unrelenting.

More recently, I was introduced to an 11 year old girl from Dromana, Chloe, who also suffers from juvenile diabetes and who shows similar integrity and courage in dealing with the day-to-day effects of this illness.

In response to Justin and Chloe's stories, I will undertake a 500 km walk throughout the Electorate of Flinders to raise awareness of juvenile diabetes and to raise a minimum of \$30,000 to assist the Juvenile Diabetes Research Foundation in their critical and life-changing work. All funds raised will be paid directly to the Juvenile Diabetes Research Foundation.

For your records, please find attached a map showing the route I will travel, as well as a daily program, to ensure that you're aware of where I will be and at what time.

If you would like to join me on the walk, I would be most appreciative if you could register your details with my office on (03) 5979 3188.

Yours sincerely,

GREG HUNT MP

PS: If you would like to support the Juvenile Diabetes Research Foundation in its work to find a cure for juvenile diabetes please forward any donations to:
