### OUR LADY OF FATIMA IN ROSEBUD RECEIVES FUNDING OF \$75,000

Our Lady of Fatima, Catholic Primary School at **Rosebud**, will receive a \$75,000 grant under the *Investing in Our Schools* programme to build an art/science room for students.

### STATE MUST RELEASE GUNNAMATTA DISCHARGE VOLUMES TO THE PUBLIC

I am working with State MP for Nepean, Martin Dixon, to ensure that the State Government forces Melbourne Water to release their weekly discharge volumes at **Gunnamatta** on their website.

It is a disappointment that the State Minister for Water has refused to provide this information when I believe the community has a right to know the results of discharge volumes at Gunnamatta beach.

Given that Melbourne Water conducts weekly tests at Gunnamatta, there is no reason why the results cannot be put on Melbourne Water's website on a weekly basis.

*With Martin Dixon MLA in training for the Arthurs Seat Challenge*

### BID FOR HMAS CANBERRA AS A DIVE SITE

Martin Dixon MLA and I have been working with the diving industry to prepare a bid for the decommissioned naval frigate HMAS Canberra.

It is proposed that the decommissioned ship's hull could be sunk at a suitable site off the **Mornington Peninsula** coast to make an incredible diving destination.
