NEW PORTABLES END ASBESTOS THREAT AT CARDINIA PRIMARY

Watching the arrival of the new portable classrooms for Cardinia Primary School with Cardinia Primary School President Linda English

I am delighted that after a strong local campaign we have helped end the threat of Asbestos at **Cardinia** Primary School.

Cardinia Primary School's two new portable classrooms were delivered and craned into place in time for the beginning of the 2006 school term. This is a great step forward for the school and is a tribute to the hard work of the school community led by Principal, Mr Alan Armstrong and School Council President, Mrs Linda English.
