CAMPAIGN TO STOP SALE OF 100 ACRES AT DEVIL BEND

I am committed to fighting against the plan to sell 100 acres of the State's conservation land at **Devil Bend**.

I congratulate all local residents and community groups for their hard work and commitment in ensuring that Part 1 of this beautiful piece of land is protected for future generations to enjoy. I hope that we can continue to work together to make sure that the remaining 100 acres is protected in its entirety. If you would like a petition to save the remaining 100 acres, please contact my office.

In addition, funding of \$3000 was also announced for **Crib Point RSL** to purchase display cases to exhibit wartime memorabilia.
