Greg helping dig foundations at the Mt Martha Bowls club

VOLUNTEERS NEEDED FOR MT MARTHA BOWLS CLUB PROJECT

Greg recently spent time helping local volunteers at the Mt. Martha Bowls Club with the construction of ramps for disabled and wheelchair-bound bowlers.

“The Mt. Martha Bowls Club is an important local facility and the construction of the access ramps will allow those with impaired mobility to enjoy the sporting and social activities the club provides,” Mr Hunt said.

Construction of the ramps is being undertaken with the generous support of local businesses and volunteers led by local builder Russell Joseph. Anyone interested in assisting can contact Russell Joseph on 0414 398 586.
