DELIVERING ON THE PROMISE OF A SAFER WESTERN PORT HIGHWAY

“I am delighted that the construction of a round-about on the dangerous Hastings-Dandenong and Frankston-Flinders Roads intersection has been completed,” said Greg Hunt.

“The intersection was one of the most dangerous in the state and would not have been upgraded without the tireless work of local residents such as John Antoine and the Tyabb CFA.”“ The Commonwealth contributed \$478,000 in Commonwealth funding to seal the road shoulders leading into the intersection.”
