

GREG HUNT MP Caring for our coasts

Liberal for Flinders

At Mt Martha Beach

Working hard for our coasts

“Greg has worked tirelessly to protect our local coasts.

Thanks to the determination of people such as Greg we are now approaching a situation, where the closure of the environmentally destructive outfall at Gunnamatta Beach can be achieved.”

Peter Smith
President
Clean Ocean Foundation

Greg Hunt MP- Working hard for our coasts

“I want our children to grow up in a safe and healthy environment.

And I realise how fortunate we are to live in such a beautiful area.

I know there is still more to be done to protect our coasts and with your support I will continue to work hard to protect our local environment for future generations.”

Greg Hunt MP

A safe and healthy coastal environment is important to our way of life.

To protect our local coasts, **I am working hard to:**

- ✓ Clean up Gunnamatta Beach
- ✓ Protect Mt Martha Beach, the Bay and the Peninsula’s coastline
- ✓ Deliver Marine Education for Western Port, Phillip Island and the Peninsula

Greg Hunt MP
