*At Crib Point Pre-School*

**Liberal for Flinders**

## **Working hard for Western Port**

“No-one could have worked harder for the local community than Greg.

Thanks to Greg’s help the Commonwealth has delivered over \$43,000 to improve literacy and numeracy at Hastings, West Park and Crib Point Primaries.

Greg has been instrumental in the fight for a police station in Somerville and helped deliver \$2 million for a Somerville Secondary College as well as personally helping to clean-up the Crib Point Shops.

Greg has a unique ability to get things moving and is one of the best representatives for the Peninsula I have ever worked with.”

**Former Mayor - Mornington**  
**Peninsula Shire Council**

# Greg Hunt MP - Working hard for our community

“Working together as a community we have achieved a lot over the last few years.

Importantly we have delivered \$2 million for a Somerville Secondary College, a new Centrelink office for Hastings and cleaned up the Crib Point Shops

I know there is still more to be done and I will continue to work hard for our local community with your support on October 9.”
