

Greg Hunt MP - Working hard for healthcare

“I realise how important healthcare is to the local community.

That is why I worked with local residents for a Cranbourne Medicare Office and new doctors for Pearcedale, Koo Wee Rup and Lang Lang.

I know there is still more to be done and I will continue to work hard for our local community.”

Working hard for local healthcare

“No-one could have worked harder to deliver better healthcare for our local community than Greg.

Thanks to Greg’s determination and hard work we have new doctors in Pearcedale, Koo Wee Rup and Lang Lang and we will have a new Medicare Centre in Cranbourne”
